IN RE: APPLICATIONS OF : Docket No. MM93-42
MOONBEAM, INC. : File No. BPH-911115MG
GARY E. WILLSON : File No. BPH-911115MO

1 A Yes.

2 Q How often?

3 A I've been in their offices probably at least once a
4 week.

5 Q Since February 25, 1992?

6 A Yes.

7 Q Is there a particular individual that you work
8 with?

9 A Yes, the broker. His name is Casey Escher.

10 Q And how many hours per week since February 25,
11 1992, on average have you spent working for James Warren and
12 Son?

13 A As I mentioned, I was not -- I am not -- I was not
14 going to be an active broker until I moved to the area
15 full-time, so I haven't spent any active hours.

16 Q All right. Then describe to me what you mean by
17 time that wouldn't be active, if any, that you've spent with
18 James Warren.

19 A Okay. I've spent time going to the office and
20 talking to Casey Escher, who is a broker. I've gone out on
21 -- Thursday is a house tour day, and I've gone out with him
22 on house tour day to look at new properties.

23 Q How many times have you done that?

1 A I've done that several times. I've made a point of
2 stopping to see and talk to Casey at least once a week.

3 Q And you currently live in Calistoga?

4 A Currently, I do.

5 Q All right. And since the move has your schedule
6 with respect to James Warren and Son changed at all?

7 A It hasn't changed drastically as yet. I'm in the
8 process of remodeling a house to live in. I'm in a house now
9 that is smaller than this room, probably about half.

10 Q And you're living in the house in Calistoga now; is
11 that correct?

12 A Yes, I am. I'm living there full-time.

13 Q And you're spending your time for the most part
14 remodeling the house?

15 A It's become a consuming occupation at this point
16 since we want to move into the farmhouse, which is another
17 residence on the property, as soon as we can.

18 Q Do you have any other employment at this point?

19 A I work from time to time as an actress and a model.

20 Q And how time consuming is that on a weekly basis?

21 A It's just basically -- it depends on how much time
22 I want to put into it.

23 Q How much time have you on average put in in the
